DOES IT PAY?

What "Free Ferriage" Did For Our Merchants Yesterday

It would be somewhat remarkable if one act of the City Council would benefit every individual alike; but the aim of legislation is to do the greatest good to the greatest number, and when this is done it most nearly approaches the acme of human wisdom.

Recently, in a response to a request from the Board of Trade, the Council generously provided for Free Ferriage between Aberdeen and this city on County Court Days; and while there are many who receive no direct results, it is quite certain that so many do that ultimately the entire community shares in the benefits.

If an example were needed to illustrate this point it may be found in yesterday's record.

During the day 678 persons came to Maysville from Ohio, crossing on the Launce, and on the return trip 598 separate packages were carried to Aberdeen.

Of course it would be mere speculation to place a value on these packages, but it does not seem that \$1 each would be an extravagant estimate; so here were practically \$600 brought into Maysville yesterday that would not have come unless the inducement of a "free ride" had been offered.

Aren't you well enough acquainted with human nature to know that the average man or woman can always be depended upon to spend \$5 in order to get 5 cents for nothing?

Mr. and Mrs. Andrew Clooney's bright little children are down with the whooping-cough.

This is the season to buy good Monmouth work cheap. See MURRAY & THOMAS.

The revival meeting at the Christian Church was well attended last night. Mr. Cave preached a strong and effective sermon on "Prayer." Tonight he will speak of "The Fatherhood of God." The public is cordially invited, especially men, for whom Mr. Cave will have a special word in this sermon.

The English gained two hours a day by chopping their words. That was an old trick of our mother tongue that took two commoners like "proud" and "dance" and made them "prance"—for the sake of economy.

Have you caught the spirit?

Resolutions calling on the Board of Public Safety to issue immediate orders closing all saloons and theaters in Louisville on Sunday were adopted at a mass-meeting of men held under the auspices of the Citizens' League. Speeches were made by Bishop Charles E. Woodcock, the Rev. Dr. E. L. Powell and Judge W. O. Harris.

Yesterday afternoon as the local freight crew on the C. and O. was getting a carload of brick off the yard siding at Mentor Brakeman L. P. Deshler was instantly killed. The train jumped the track and the carload of brick turned over, catching Deshler under it and mashing him in a horrible manner. The unfortunate young man resided at Covington, was single and about 25 years old.

The big stone residence on the Lashbrooke place near Clark's Station is one of the oldest in the county. It was begun in 1793 and was occupied by the Hon. Peter Lashbrooke in 1800. Mr. Lashbrooke represented Mason county in the Legislature in 1835, and was over 90 years of age at his death. A son, Mr. James Lashbrooke, lives near the ancient house, which is still in excellent repair and bids fair to weather the storms of another century.

The following is the last will and testament of Alexander H. Wall, deceased—

MASON COUNTY, KY., May 8th, 1900.
Having sold all of my real estate, I now make this my last will, and revoke all others up to the above date. My wife, Elizabeth A. Wall, and I have always made an equal distribution of money when given to our children. Hundreds of dollars have I given when I hoped it would do good. This I consider every father's right to do. Whatever is left after my just debts and funeral expenses are paid, I give to my son, Garrett S. Wall, and his sister, Mary W. Apperson, in equal proportions.

My daughter, Lydia E. Dimmitt, is now well provided for by her father and mother.

I leave and give my son the entire control to settle and wind up and settle with his sister as above written.

No bond or security required of him. Given under my hand.

ALEXANDER H. WALL.

Attest—

The Epworth League social at the First M. E. Church, South, last night was just what it promised to be—a most enjoyable affair. Quite a number was present. With delightful music, refreshments, etc., the evening was very much a success, and will be remembered as one of the best social events of the organization.

BIG COURT DAY

Yesterday Reminded One of the "Good Old Times"

Yesterday was County Court Day and it was a crackerjack, too. It was the biggest and most orderly crowd ever in the city on a similar occasion. Brown and Adams counties, Ohio, swelled the crowd enormously. Here is where free ferrisage showed its hand.

The stallion show was exceedingly fine, and thoroughbred stock was more plentiful than ever before.

There was not a business man in the city but what was benefited by the big crowd on the streets. Trade and traffic were in evidence everywhere. Taken as a whole it was the best day this city has had in a long time.

Court Day sales and free ferrisage are the things to tie too. Boom it; keep it up.

Agrarian disorders continue to be reported at a number of places in Russia.

The United States must build an entirely new Navy within the next six years. The present fighting fleet must be put out of commission, and a new one substituted, composed of up-to-date warships. This is the real opinion of President Roosevelt and of Secretary Charles J. Bonaparte.

A bill has been introduced in Congress requiring all sea-going and lake vessels to carry a quantity of oil apparatus for its distribution on the water in time of storm.

According to statistics prepared by railroad experts there are now under way in the United States 13,014 miles of new railroads, and what are termed "live projects" provide for the building of 8,433 miles more.

Justice Harlan denies a published report that he contemplated retiring from the Bench and giving his time to the work of establishing a great Presbyterian Church at Washington. He says he feels deeply interested in that work, and expresses his willingness to aid it in every way in his power, but has no present purpose to retire from the Bench.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.

Printing Office Reform

How Uncle Sam's Money is Being Wasted

—200,642 copies were published. But today 70,094 copies are left undistributed in the House and Senate folding rooms, representing a cost, exclusive of plates, of \$33,645.

Congress ordered 10,642 copies of the report of the Swayne impeachment proceedings, but only 3,542 copies got into circulation.

Of the bound volumes of The Congressional Record for the second session of the Fifty eighth Congress, 13,300 sets, or 93,100 volumes, costing \$122,323, were ordered. There are still on hand an undigested and indigestible surplus 8,795 sets, or 61,563 volumes.

The Government is actually renting three buildings for \$13,600 a year for the sole purpose of storing dead documentary matter, and the committee says that 400 freight cars would not be enough to carry the accumulated surplus out of Washington.

Under the new system the publications will be limited to smaller editions and an attempt made to regulate the supply to the demand.

Another reform will operate through the method of charging the expense. Heretofore all reports to Congress were charged to the Congressional Fund. As a result the Department officials loaded the reports to Congress with costly illustrations or irrelevant matter and thus kept down the charges appearing against them. Thus one Department's printing bill appeared to be but \$200,000, whereas the actual work cost \$650,000. Hereafter all printing will be charged to the Department where it originates. By thus placing responsibility any extravagance can be easily traced.

Senator Tillman has issued an address, for publication in South Carolina, relating to his candidacy for re-election. It is written in characteristic language and deals with the dispensary or liquor question, which promises to be the main issue in the Democratic primary next August. The Senator points out that he believes as strongly as ever in the dispensary system, and serves notice that he will conduct his canvass for re-election along that line.

A Court review amendment to the Railroad Rate Bill was agreed upon at a conference between President Roosevelt, several Republican Senators and Interstate Commerce Commissioners Knapp and Prouty. It leaves to the decision of the Commission when orders fixing rates shall take effect and limits suits to a determination of whether the order complained of was beyond the authority of the Commission or in violation of the rights of the carrier secured by the Constitution.

Strong resolutions threatening a strike of 500 city employees and attacking municipal ownership of street railways were passed at a meeting at Chicago of the Associated Building Trades, composed of twenty-nine Unions and representing 33,000 building craftsmen. It was charged that Mayor Dunne and the Council Finance Committee have refused to make provision for the payment of standard wages to mechanics in the employ of the city, despite the numerous requests from Labor Unions.

TERRIBLE ECZEMA ON LITTLE BOY

Mouth and Eyes Covered With Crusts—Face Itched Most Fearfully—Hands Pinned Down to Prevent Scratching

MIRACULOUS CURE BY CUTICURA REMEDIES

"When my little boy was six months old, he had eczema. The sores extended so quickly over the whole body that we at once called in the doctor. We then went to another doctor, but he could not help him, and in our despair we went to a third one. Matters became so bad that he had regular holes in his cheeks, large enough to put a finger into. The food had to be given with a spoon, for his mouth was covered with crusts as thick as a finger, and whenever he opened the mouth they began to bleed and suppurate, as did also his eyes. Hands, arms, chest, and back, in short the whole body, was covered over and over. We had no rest by day or night. Whenever he was laid in his bed, we had to pin his hands down; otherwise he would scratch his face, and make an open sore. I think his face must have itched most fearfully. "We finally thought nothing could help, and I had made up my mind to send my wife with the child to Europe, hoping that the sea air might cure him, otherwise he was to be put under good medical care there. But, Lord be blessed, matters came differently, and we soon saw a miracle. A friend of ours spoke about Cuticura. We made a trial with Cuticura Soap, Ointment, and Resolvent, and within ten days or two weeks we noticed a decided improvement. Just as quickly as the sickness had appeared it also began to disappear, and within ten weeks the child was absolutely well, and his skin was smooth and white as never before." P. Hohrath, President of the C. L. Hohrath Company, Manufacturers of Silk Ribbons, 4 to 20 Rink Alley, June 5, 1905. South Bethlehem, Pa. Cuticura Soap, Ointment, and Pills are sold throughout the world. Patten Drug & Chem. Corp., Sole Props., Boston. Mailed Free. "How to Cure for the Skin."

WORK THAT TELLS.

Plenty of It Has Been Done Right Here in Maysville.

Cures that last are cures that tell. To thoroughly know the virtues of a medicine you must investigate the cures and see if they prove permanent. Doan's Kidney Pills stand this test, and plenty of proof exists right here in Maysville. People who testified years ago to relief from backache, kidney and urinary disorders, now declare that relief was permanent and the cure perfect. How can any Maysville suffer longer doubt the evidence?

C. L. Hubbard, employed in Cablish's grocery, Cox Building, and living at 325 West Third street, Maysville, Ky., says:

"As I stated in a testimonial given in 1900, Doan's Kidney Pills brought me positive relief from inflammation of the bladder and a disturbed action of the kidneys. After some time I felt a slight return of the trouble but again used Doan's Kidney Pills and again found complete relief. Now, after nearly five years I feel able to recommend Doan's Kidney Pills with even greater confidence than before. The results of its use in my case have been very satisfactory. I got the remedy at J. Jas. Wood & Son's Drug-store."

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no substitute.
